This checklist will ensure you have completed all documents necessary to submit your application for one of the University of Miami’s online programs. You can create your student profile and begin your application at any time.

You do not need to submit your application all at once and can upload documents at a later time. Once you upload and submit all required documents, contact your EA for final confirmation to ensure the file is ready for review.

If you have any questions about your application or the documents required, please contact an enrollment advisor at 800.411.2290 or request information at www.miami.edu/online.

1. Official Transcripts
   Please submit official transcripts from ALL academic institutions attended. Upload any unofficial transcripts to the online application (Please note: Any transcripts uploaded to the application can be used to determine application status, but are not considered unofficial).
   
   Send official transcripts electronically (preferred) or by regular mail:
   - Electronically: etranscripts@miami.edu
   - By mail: Attn: Online Enrollment – Admissions Office 1320 S Dixie Hwy Suite 932 Location 2991 Coral Gables, FL 33146 – 2991

2. Test Scores
   Test scores must be no less than 5 years old and must be valid at the time of admission. Unofficial test scores may be uploaded to the online application for an admissions decision. Official test scores should be sent to UVM using the following school codes:
   - GRE 5815
   - GMAT 7NV-89-86
   GRE preferred, but MCAT, LSAT, or GRE score may be accepted. International students who do not hold an undergraduate and/or graduate degree from the U.S. must also submit their Test of English as a Foreign Language (TOEFL) score.

   To schedule the GRE or TOEFL, please contact the Educational Testing Service to schedule an appointment by visiting their website at www.ets.org or calling (800) GRE CALL.

3. Resume
   Please upload an updated resume that lists your employment history, academic history, publications, military experience, leadership roles, honors/awards, community activities and volunteering efforts.

4. Personal Statement
   Please upload a one-page personal statement addressing your interest in the program you have chosen in relation to your professional background and career aspirations.

5. (3) Letters of Recommendation
   To submit your letters of recommendation, first enter names and contact information for three (3) people who can comment on your professional ability in the online application. One of which should be a potential supervisor or actual work supervisor and serve as the basis for the creation of a workplace-program partnership for final project location.

   Recommenders automatically receive an email to fill out your recommendation online, so please remember to contact your recommenders before you enter their information into the application. You can then track the status of each recommendation in the online application. Recommendations must be received by the application deadline to be considered for admissions.

   It is recommended that students do not wait until the final application deadline to submit their completed application file, as admitted students will need to complete a mandatory online Student Readiness Orientation (SRO) within 4 weeks of accepting their admissions offer in order to be eligible to start class. We also recommend that students submit their FAFSA (school code: 001536) during their application process in order to meet all required Financial Aid deadlines.

   We recommend requesting letters from professional or academic references who are able to provide an accurate assessment of your performance while under their supervision and can speak to why you would be a good fit for the program. Please refrain from using personal contacts.

Once You Complete Your Documents

1. FAFSA & Student Readiness
   It is recommended that students do not wait until the final application deadline to submit their completed application file, as admitted students will need to complete a mandatory online Student Readiness Orientation (SRO) within 4 weeks of accepting their admissions offer in order to be eligible to start class. We also recommend that students submit their FAFSA (school code: 001536) during their application process in order to meet all required Financial Aid deadlines.
