Campus Parking

Permit Parking (Students, Faculty, and Staff)

All vehicles regularly parked on the Coral Gables campus must be registered with the University of Miami Parking and Transportation office and have a valid University parking permit. Parking permits are issued and distributed by the University’s Finance Office. All vehicles must be parked head-in only, unless a front-wheel drive vehicle is parked head-on.

Parking lots are color-coded by color. Vehicles must park in the color zone that corresponds to their assigned permit zone Monday through Friday from 7 am to 4 pm. All color restrictions are lifted after 4 pm on weekdays and at all times during the weekend.

Complete parking and transportation rules and regulations are available online at parking.miami.edu.
