SYLVESTER COMPREHENSIVE CANCER CENTER

Sylvester Comprehensive Cancer Center, part of UHealth – University of Miami Health System and the University of Miami Miller School of Medicine, is the only cancer center in South Florida designated by the National Cancer Institute. NCI designation recognizes that Sylvester has met the most rigorous standards for cancer research, training in our laboratories, education in patient care, and meeting specific needs in our community.

Sylvester is known as South Florida’s leader in patient-centered cancer research and care, offering the only Phase I clinical trials program the first step in evaluating how patients respond to the latest investigational treatments. NCI designation further expands Sylvester’s ability to provide access to novel therapies through more clinical trials and collaboration with other designated centers.

Equipped with a highly qualified team of more than 300 cancer-focused physicians and researchers working together, Sylvester serves patients through a network of facilities throughout Miami-Dade, Broward, and Palm Beach counties.*

AFFILIATED HOSPITALS

Licensed for more than 1,500 beds, Jackson Memorial Hospital is a teaching hospital for the University of Miami Miller School of Medicine. It is home to many affiliated University of Miami and Jackson programs, including the Ryder Trauma Center and the Miami Transplant Institute.

Holtz Children’s Hospital is one of the largest children’s hospitals in the southeastern United States. Staffed by UHealth/Miller School physicians, Holtz Children’s Hospital specializes in neonatal care and offers a wide range of pediatric medical specialties, including pediatric cardiology, bone marrow transplantation, cardiology, infectious disease/immunology, allergy, gastroenterology, pulmonology, and transplantation of all solid organs, including pediatric lung and kidney transplantation.

UHealth/Miller School physicians work closely with the Miami VA Health care System. The Miami VA Health care System has provided general medical, surgical, and psychiatric services for our country’s veterans since 1968.
